## Our Staff

Welcome to Little Ewoks and Nanny Gar, a company specially designed to cater to Melbourne's parents. Little Ewoks and Nanny Gar specializes in helping individuals and couples transition into becoming parents.

With over 30 years experience in working with infants, children and families, our staff offer guidance and support to parents in a common sense approach. We support new parents or parents wanting more skills. This can include parents having their first baby and/or parents gaining more time opportunities with their little ones.

Kristy-Lee from Little Ewoks has been a nanny and specialist in home child care for nearly 10 years. Kristy-Lee brings skill and experience from caring for premature infants, babies and children under the age of four, including caring for twins and triplets. Kristy-Lee is trained in sleep and settling techniques for babies and children, and Dunstan Baby language. Kristy-Lee is also experienced in supporting families in crisis and with terminally ill family members.

Carol from Nanny Gar has been a nanny and specialist in home child care for over 20 years. Carol is experienced in caring for infants, babies and children under the

## Our Staff & Services

age of four, including caring for twins and triplets. Carol is also experienced in caring for families in crisis, supporting single parents and young parent households.

Both Kristy-Lee and Carol are trained in first aid and have WWC.

## Our Services

The team at Little Ewoks and Nanny Gar have spent several years working with families in crisis, new parents and parents who have shared time arrangements with their children. Through these experiences, they have identified common dilemmas that most families grapple with when bringing their baby or children home for the very first time.

Our individual one on one session/s can be tailored to your specific needs, you can either choose a standard package or mix and match to suit your unique family's needs.

The packages can also be tailored for parents who have limited time with their infants or children.
